

NEERJA MODI SCHOOL

A GLOBAL INSTITUTE

Date: _____

Ref. No.: JAI/NMS/2026-27/ 0035

Dear Parent

As per new curriculum policy of CBSE, from the academic session 2026–27, the subjects Mathematics and Science are being offered at two levels.

- 1. Mathematics and Science:** These will cover the common prescribed syllabus, will be compulsory and studied by all students.
- 2. Mathematics and Science Advanced** will be optional, and meant for students who wish to study additional topics beyond the common syllabus. Please refer to the table given below:-

Subject	Nature	Syllabus	Assessment
Mathematics	Compulsory (to be studied by all students)	Common standard Content	80 marks (School-based Annual examination in Class IX of 2026-27 onwards, Board Examination in Class X of 2027-28 onwards); 3hrs duration
Science	Compulsory (to be studied by all students)	Common standard Content	80 marks (School-based Annual examination in Class IX of 2026-27 onwards, Board Examination in Class X of 2027-28 onwards); 3hrs duration
Paper	Nature	Syllabus	Assessment
Mathematics Advanced	Optional	Additional Content	25 marks (Board Examination in Class X of 2027-28 and onwards); 1 hr duration; all HOTS questions
Science Advanced	Optional	Additional Content	25 marks (Board Examination in Class X of 2027-28 and onwards); 1 hr duration; all HOTS questions

Please note:-

A candidate securing 50 % and above marks for the optional Advanced Examination shall have the following recorded in the marksheet:

The Advanced Level has been successfully cleared. (This text is tentative and may vary).

However, the marks obtained in the Advanced Examination shall not be added to the overall aggregate or total score. In case a candidate secures less than the prescribed criteria, no reference to the Advanced Level shall be reflected in the marksheet.

To help students decide on opting for the advanced course, a common chapter will be taught in both subjects, followed by a short test. This will give them an idea of the advanced level content and help them make an informed choice.

THREE LANGUAGE POLICY

Every student in Class IX (2026-27) would study three languages. Language combination will be as follows

Situation	R1	R2	R3
Case 1	ENGLISH	FRENCH	HINDI
Case 2	ENGLISH	SANSKRIT	HINDI
Case 3	ENGLISH	HINDI	SANSKRIT

Regards

Principal
