My Happiness Recipe:

Students will complete a pre-drawn bowl or pot worksheet by adding happiness ingredients from the given options, such as kindness, gratitude, laughter, healthy habits, family time, and friendship, creating their own unique recipe for happiness while reflecting on the simple things that contribute to their emotional well-being.

Remember: "Wellness is a way of life."

TECHNOLOGY CLUB

Hello Tech Explorers!

Are you curious about computers, coding, robots, games, and cool technology? Then the Technology Club is the perfect place for you!

We'll have fun learning new digital skills, creating exciting projects, solving challenges, and exploring the amazing world of technology together.

So, let us come together to give wings to our imagination and let our creativity, curiosity, and enthusiasm soar !

DANCE CLUB
